Beginner Trombones – Selection Guide

Bach Yamaha Eastman Jupiter Besson

Price Range for Beginner Trombones \$795 - \$1535

All our beginner trombones include a mouthpiece and sturdy, good quality case. They all have slide-locks, water-keys with cork and fast and freely moving slides. All come with solid warranties.

We encourage students to play all instruments in your preferred budget. Although a brand may be perfect for one student, it is very possible that your child may be better suited to another. When play testing it becomes very clear which is the best choice for each student. We only stock high quality brands so there is no “wrong” choice.

Our customers and teachers find that the best way to select instruments is to play test several to compare.

Bach TB301 – The Bach 301 is the only student trombone made in the USA. Exceptional quality materials and workmanship make this a perfect instrument for the most serious of students. If this fits the budget, look no further. **Rents for \$15.95 per week.**

Yamaha YSL154 – Always popular, the Yamaha 154 has the characteristic free blowing open response you can expect from Yamaha student instruments. **Rents for \$14.50 per week.**

Eastman ETB310 – Shires design at a student price. This is a welcome addition to our range. A handspun brass bell and hand-matched slides help create the great sound of this instrument. You need to include this one in your tests as it often wins the race! **Rents for \$9.30 per week.**

Jupiter JTB700 – Jupiter has been regarded as a solid choice of student trombones for many years and their trombone is especially well regarded. The hand-lapped inner slide helps produce a centred and rich tone. Don't miss trying this one. Also available with an ergonomic grip for small hands. **Rents for \$13.00 per week.**

All of these models are in stock.

All instruments may be purchased using our three part payment option or hired in the first instance purchasing later and receiving the rent back towards the final price.

We can usually offer ex-rental instruments if you prefer to buy second hand. These are all near new and have had a full inspection/adjustment before offering them for sale.

Come and play for us.
