## **Beginner Trumpets – Selection Guide**

**Eastman Bach Jupiter Yamaha**

**Price Range for Beginner Trumpets \$595 - \$999**

All our beginner trumpets include a mouthpiece and feature 1<sup>st</sup> and 3<sup>rd</sup> valve-slide finger ring/hooks and are supplied with a sturdy, good quality case. All come with solid warranties.

We encourage students to play all instruments in your preferred budget. Although a brand may be perfect for one student, it is very possible that your child may be better suited to another. When play testing it becomes very clear which is the best choice for each student. We only stock high quality brands so there is no “wrong” choice.

*Our customers and teachers find that the best way to select instruments is to play test several to compare.*

**Eastman** – One of our top sellers. Eastman trumpets are a welcome addition to our range. Very nice, high quality student trumpet. This one often wins in the play test. **Rents for \$8.30 per week.**
