Beginner Flutes – Selection Guide

Pearl Yamaha Eastman

Price Range for Beginner Flutes \$595 - \$1499

All our beginner flutes are silver plated, offset G, split E, closed hole and supplied with a sturdy, good quality case. All come with solid warranties.

We encourage students to play all instruments in your preferred budget. Although a brand may be perfect for one student, it is very possible that your child may be better suited to another. When play testing it becomes very clear which is the best choice for each student. We only stock high quality brands so there is no “wrong” choice.

Our customers and teachers find the best way to select instruments is to play test several to compare.

Pearl 525E Quantz – This fabulous model is for those who want something a bit special! The body is the same as the Pearl 505E, however this model has a Forza headjoint with a solid silver lip plate. So much more tone! **Rents for \$15.60 per week.**

Pearl 505E Quantz – Pearl is the only student flute with the tube made in Japan. This, combined with their trademark pinless mechanism and superior headjoint, results in a very solid instrument with great sound quality. If this fits the budget, look no further. **Rents for \$12.50 per week.**

Pearl 500 – Exactly the same as the 505E except with no split E. Supplied in a solid plastic case. A good choice when you are looking to save a few dollars. **Rents for \$9.40 per week.**

Eastman 214SE-CO - Eastman flutes are a welcome addition to our range. Very nice, high quality student flute. A must to include in your selection. **Rents for \$8.85 per week.**

Yamaha 212ID – Always popular, the Yamaha 212D has the characteristic free blowing open response you can expect from Yamaha student instruments. **Rents for \$10.00 per week.**

All of these models are in stock.

All instruments may be purchased using our three part payment option or hired in the first instance purchasing later and receiving the rent back towards the final price.
